Dear Pastor/Adult Leader:

Greetings to you in the wonderful name of our Lord and Savior Jesus Christ! We are so blessed at what God is doing through the youth on the Joplin District! God is truly working and moving in wonderful ways through the Joplin District NYI. Our district NYI has become a model of success in the Church of the Nazarene across our country. Many students from our district have risen to significant leadership roles in their schools, churches, communities, their college campuses as well as on the mission field around the world as we develop strong, Godly leaders on the Joplin District. One of the most spiritually significant things that is taking place on Joplin District is teen Camp. God has been working in incredible and powerful ways through Camp!

Camp has become an integral part of who we are as the Joplin NYI. Camp is such an important part of developing strong Godly leaders on the Joplin District. Camp on the Joplin District has also been experiencing incredible growth in the number of students attending Camp each year. Because of what God is doing through Camp, the Joplin District NYI has made the decision to increase the number of Camp weeks available to three weeks starting in 2018! We are so excited for this opportunity! We are now be able to have more students experience the presence and power of God at Camp. It is our goal that every student on the Joplin District would be able to experience God's awesome presence at Camp! Please join us in working hard to promote Camp to your students and please do all that you can to help them get to Camp! We truly believe it will be a life changing experience for them and definitely provide an opportunity to grow closer to their peers and to Christ. God is definitely using Camp in a powerful way on the Joplin District and now is NOT the time to set back and enjoy our past successes but rather embrace the opportunity that we now have to send even more students to Camp. Let's set an all time record in 2020! 600+ students at Camp! With God's help and some hard work, WE CAN DO IT!!

The three weeks available for the summer of 2020 are:

Week 1: June 8th-12th — Monday to Friday

Week 2: June 12th-16th — Friday to Tuesday

Week 3: June 16th-20th — Tuesday to Saturday
